## FRIENDS OF THE FORESTBURG FIRE DEPARTMENT—COMPRESSOR UPDATE:

Thanks to your donations, the Friends of the Forestburg Fire Department, is proceeding to purchase a new Breathing Air Compressor. This is a vital piece of equipment that is required to refill breathing air bottles for the Fire Departments in this area. While we have secured significant donations for the new equipment, we still have a shortfall in the funding required. We can now accept donations through the Village of Forestburg Community Enhancement Fund by e-Transfer. If convenient, please send to: [fund@forestburg.ca](mailto:fund@forestburg.ca) A tax receipt will be provided if your mailing address is included in the comments. **Martin Kerr**  
Saturday  
February 11  
7:30 PM

Martin Kerr might be the only artist in the world to have played 400 live shows during the pandemic. When Covid-19 cancelled all his touring and festival plans for the foreseeable future, he launched his now signature Stay Home Street Concerts as a way of continuing to bring music and joy to the people who needed it the most. Genre-hopping from folk to hip-hop, pop, soul, funk and back to his intimate singer-songwriter vibe, each song has a different flavour but a common thread of supporting each other through hard times.
