

VILLAGE OF FORESTBURG PUBLIC NOTICE

September 7, 2023

As reported in the September 2023 edition of INFOrestburg Village Council had significant discussions on the Community Standards Bylaw (Bylaw 6:2020) and ongoing infractions of key provisions of this Bylaw.

As a result of these discussions and Council's endorsement of maintaining current provisions, Administration will be undertaking enforcement actions on numerous, long-standing infractions of Bylaw provisions particularly as they relate to excessive accumulation of materials on properties as well as derelict and/or unregistered vehicles on residential, commercial, and industrial properties.

The Community Standards Bylaw states in Part 2 – Property Maintenance Section 6 – Land as examples of a non-compliant nuisance being:

“Excessive accumulation of material including but not limited to building materials, appliances, household goods, boxes, tires, vehicle parts, garbage or refuse, whether of any apparent value of not”

“Damaged, dismantled or derelict vehicles or motor vehicles, whether insured or registered or not”

“Two (2) or more unregistered vehicles”

The Village of Forestburg hereby provides Public Notice, and will also be giving individual notice to the Registered Owners of non-compliant properties, of the requirement to come into compliance with all provisions of Community Standards Bylaw 6:2020 within fourteen (14) days. Failure to do so may result in fines and will result in the removal of the non-compliant materials, vehicles and motor vehicles from property and being impounded.
