BREAKFAST CLUB LOOKING FOR VOLUNTEERS

Have you ever felt like reaching out to your community and making a difference? Well, Forestburg School is looking for breakfast club volunteers to help serve breakfast to our students in grades K-12. You might be asking yourself what is Breakfast club? Breakfast club is something run within the school due to a nutrition grant that is given to the school. It involves preparing ready-made snacks and meals to be placed in various classrooms and to be served to students in the morning. The breakfast club has been running for over 5 years, providing and aiding children who otherwise would go without these highly important meals. We are looking for those able to lend a hand in the hours of 8:00-9:00 am willing to help supervise and serve our growing future. Please contact Deanna Bartlett at 780-582-3792 during normal business hours in order to incur more information about this exciting volunteer opportunity.

ANNUAL TERRY FOX RUN HELD AT SCHOOL

On Thursday, September 21 Forestburg School held our annual Terry Fox Run. Students from Kindergarten to grade 4 ran on the school track. Students from grade 4-12 ran through the course in the village. We raised up to \$1000 dollars for the Terry Fox Foundation. We would like to thank all the people who volunteered for the Terry Fox Run, cheered the students on when they were running, and guided the students to where they should run. A special thank you to Mr. Johnson and Mrs. Forster for organizing. We would like to thank the students who brought money for the Terry Fox Foundation.

Ray Bonneville

SUNDAY, NOVEMBER 5, 2023

Acclaimed raconteur Ray Bonneville strips his bluesy Americana down to its essentials and steeps it in the humid grooves of the South, creating a compelling poetry of hard living and deep feeling. Rich guitar and harmonica lines resonate over spare but spunky rhythms, while Bonneville's deep, evocative voice confesses life's harsh realities. A native French Canadian and Juno Award winner, Ray is a celebrated songwriter and lives in Austin, Texas.

Ryan McMahon

SATURDAY, MARCH 23, 2024

Ryan McMahon has carved out an almost 20-year career as an independent artist in Canada's vibrant music scene. He's always been a genre fence sitter, hanging out on the edges of country just enough to say he isn't. In 2023 Ryan headed to Ireland for the Showing Roots Festival, which was quickly followed by his third Folk Alliance in Kansas City in early February. In the summer of 2023, he was the featured supporting act on Burton Cummings' Western Canadian run of dates. Each of Ryan's songs tells its own story and is unique in its own way.
