Ryan McMahon

SATURDAY, MARCH 23, 2024

Ryan McMahon has carved out an almost 20-year career as an independent artist in Canada's vibrant music scene. He's always been a genre fence sitter, hanging out on the edges of country just enough to say he isn't. In 2023 Ryan headed to Ireland for the Showing Roots Festival, which was quickly followed by his third Folk Alliance in Kansas City in early February. In the summer of 2023, he was the featured supporting act on Burton Cummings' Western Canadian run of dates. Each of Ryan's songs tells its own story and is unique in its own way.
